“ Mr. Johnson, you were always a cool individual and can say some comical things at times that will have a person laughing out loud. However, your love for family and close family friends was evident. Rest in Paradise for your presence will be truly missed.

Family, the Lord thy God remains the lifter of your heads, a fresh wind in your time of distress, and a pathway in the wilderness. May God walk each of you through this difficult time and show you that he has made you the light in dark places. Much love and blessings

“ *A memory that I can share of Mike is when I first met him at Checkers. He was the first person in the family I met when my wife and I started talking. He questioned me about everything. Making sure I was the right person for his niece. We really started to hit it off when he started talking about cars. Mike and myself love going to the junkyard. We use to go there some days to just see what they had. He was always there when I had car problems or questions about my car or Bree car. He helped us sale her car and get a new one. He taught me A LOT about cars. I can keep going on and on about Mike but I just wanted to speak of a memory of Mike I'll never forget. Thank you for the memories.*
