

## Michael Philip Laberge

January 19, 1950 - November 29, 2018

Michael Philip Laberge was born in Portland, Maine on January 19, 1950. He passed away in Apopka, Florida on November 29, 2018.

He is survived by his daughter, Kaleena Laberge; his Sister Christine (William) Laberge Soutullo; nephews Ian Carson, Michael Carson, Christopher Soutullo; Brother Andy Laberge (Ann Rogers); Sister Elizabeth Laberge Rufer; nephews and niece Russell Rufer, Jacob (Liz) Rufer, Shawna Rufer; and great-nephew Jacob; and Sister Denise Laberge Evon; nephews Raymond Evon and Anthony Evon.

Mike was an avid golfer, playing almost every Sunday as he could. He had a heart of gold and would do anything for his family and friends, all of which loved him dearly. He has worked at the Orlando Auto Auction for over 34 years as Lot, Security, and Registration Supervisor. He kept to himself often, but although quiet and reserved, could also be outgoing when he wanted.

He taught his daughter how to ride a bike, swim, play guitar, play pool and poker, hit a golf ball, and love life. He uplifted people when they were down, without them even knowing. He always just tried to do the right thing, always putting others above himself. He never wanted anyone to worry about him. He was the most loving father anyone could have asked for and will always live on in the heart of those that loved him.

“ Mike was a great man. He helped me out quite a bit- we've always had our ups and downs throughout my childhood and adult life, but he has always wanted what is for the best for me and my family. He made my mother a very happy woman, a funny, sitcom-like relationship full of laughter and love and jokes, and towards the very last days, called my mother every day asking when she was going to come back home to him. He made a difference in many people's lives, and truly, is irreplaceable. Those who loved him and knew him will surely feel his absence in their hearts and loves, but we can all rest easy knowing he lives on inside each one of us.

“ my vision of my brother Mich was always handsome. I recall that he always enjoyed golf. He was kind to everyone. I never heard him get angry. growing up with him was also memorable. He was always getting into mischief more than the other siblings. I miss him so much. I love you Mich. Say hi to dad for me. Elizabeth Mary Rufer.

“ *30 years ago I met Michael at the Orlando Auto Auction and started working for the auction with Michael under registration and security 17 years ago while helping him to get through some very difficult times he was having, I fell in love with him, and we eventually came together to face all of life's ups and downs as partners and lovers. We both had lost loves, and respected that in each other mutually. He encouraged me to go into acting, and my writing, and I made sure that he was up in the wee hours of the morning for his Saturday or Sunday golf outings. I will miss his legs being tossed over my hips in his sleep so I could massage his knees in my sleep, and the knowing he was there each night with me. Be at peace now, my Love, nothing can hurt you anymore. Putz*

*I miss the jokes and I worked together with him before my oldest daughter Sydney was born .I was Eighteen then. Over the years he became a stepfather figure in my life. And became a blessing to our family with my mom. Patricia Attwood Smith. So I take this day to say Mike . I know you're watching over us from heaven and hitting the back nine golf hole in heaven. Rest easy We will see you soon. We all love you so much. . ~Cassandra Barton & family*

*“ I am Andy, Mich's brother, we had many adventures in our younger days. We shared a paper route and the freezing toes that went with it. Went sledding in the winter, then swimming and fishing in the river in the summer. We rode our bikes everywhere. We shared our clothes, me first then Mich if I didn't ripped them from playing too hard. Our neighborhood was rural, our family had ten acres of woods and we were small compared to others. Their were enough boys around to have a lot of baseball games. I think Mich was drawn to golf because of the outdoors but then he stayed with it because he was good at it. He was neat and dressed well; much better then me.*

*He was a great; ... No.. the best brother ever! I am going to miss him and his visits to Yakima.*

*Love you Mich

“ I will miss him so much. He was easy to laugh and easy to please others. He gave of himself. I remember how much I looked forward to seeing him when we grew and went on with our adult lives. I would plan vacations to our parents to coincide with his so that I could spend time with him as well. Very unexpected and sad loss. I'm going to miss him.
