“ Lamento mucho esta enorme perdida y sintiendo el dolor que su familia están pasando, quiero compartir la esperanza de que muy pronto "va haber una resurrección de parte de Dios", como nos dice la Biblia en Hechos 24:15. Ánimo y fortaleza para toda su familia en estos momentos dolorosos.

“ Le acompaño en su dolor y le pido a Dios que le de la fuerza y paz que necesita para sobrellevar su dolor en estos momentos difíciles, yo se lo doloroso que es perder un ser amado, por esta razón deseo compartir con usted unos textos bíblicos que me ayudaron a mí en momentos tan difíciles como por el cual usted está pasando en estos momentos. Si tiene Biblia le invito a que busque Hechos 24: 15, Revelación 21: 3,4, Juan 5: 28,29, estos textos hablan de una bella esperanza, “La resurrección”, uno solo puede imaginar abrazar a su ser amado que ha fallecido, estos textos nos dan dicha esperanza.

“ I am sorry for your loss. But is not the end. Is a question that Jehova has the answer in the Bible. Can the dead really live again? He say: "There is going to be a resurrection" (Acts 24:15) What that can mean for you: Comfort when loved ones die, Freedom from a morbid fear of death and a real hope of being reunited with your dead loved ones. Those words help me when I lost my father. Jehova has resurrected humans in the past and He is eager to do it again. That is a good reason to beleive what the Bible says. Can you please read John 5:28,29 with your Bible? That is the most beautiful promise from Jesus, Jehova's son. Knowing about His promise, can give us the comfort we need every moment.

“ *I was Mikey's bodybuilding trainer 20 years ago. One day while training he and Oscar Menesis and Mike Sanders approached me of all places in the men's room. 2 Puerto Ricans and some big white guy!!! Thinking there was going to be trouble, it turned into a beautiful thing. I was asked how do we look like you. They paid me once and that's it. I had 3 of the best friends a man could have. Mike trained hard and I got him and Oscar ready for the stage, Oscar was incredible . Mike with his Ricky Martin good looks took to the stage and placed 2n in his first outing at a level 5 national qualifier. The three of us trained together and they routed me on at the nationals. Mike now a Master trainer churning out professional bodybuilders a like an assembly line. Just a week ago I called him for his opinion. What an incredible husband and father. Friend to so many.*

“ Dear Tio Michael,
I can't really describe how I'm feeling right now it's indescribable.
Just a few days ago we we're saying " I miss you to eachother.
I was in complete shock when I found out of your passing my heart
fell to the floor, and I couldn't stop my tears.
Then I passed by a quote, and it said " God saw you getting tired
and a cute was not to be. So he put his arms around you and said
come to me."
That made me realize that God had his plan and that you to we're
placed here on Earth as an angel to change lives.
You we're such an amazing God Father my parents were wise in
choosing you and Titi Rosanna as my God parents, and Kel &
Becky as my God Sisters. You were an amazing man anyone who
met you would instantly love you.
You always had a smile on your face, and a joke to tell. I can't
describe what an amazing man, and God Father. You believed in
Papo, and I.
You loved us, pushed us, and supported our dreams. You told us "
we'd do amazing things, and that we will accomplish anything we
set out minds to" and Tio trust me we will! Every game I play I'll
save you a seat you just better be there. You'll see me in college
one day, and Papo in the MLB you can bet on that. Will keep you're
legacy alive I promise you that. I love you with every piece of me.
Shine down on us everyday, and keep us safe my angel you will be
missed.
This isn't goodbye because will meet again.

“ I didn't know Mike too long but was blessed with the opportunity to train with him. He was the first person I connects with when I moved to Florida from the BX and we clicked instantly... He was a true gentleman and an absolute pleasure WTO be around. The only person I welcomed into my home since moving out here... May GOD bless his soul and give strength to the many people that will forever mourn his lost.

“ I am still in disbelief. Words can not begin to explain the feeling I have in my heart, not only for myself, but for Rossanna, Raquel, and Becky. As a young child, I always looked at Mike through eyes of admiration. Oh and yes, he was my first crush haha!!! I remember him teaching me karate at 6 and I did not want my brother to help me, I just wanted Mike. When he had his daughters, I could not help but notice what a great father he was. A father I wanted. He played with them, laughed, took care of them, nurtured them, and as they grew, he grew right along with them. He never knew what I thought of him nor how I admired him for being such an amazing father. I knew that the day I got married, I wanted to marry someone who would love our children as Mike loved his two princesses. I remember his little snit bits of advice, his pats of approval, and his hugs that said everything. The day I got married, he gave me a big hug and whispered in my ear that I did good and he was proud of me; I knew at that moment that I was going to be OK! I still can not believe that he is gone nor do I understand why. I now that it is not my job to understand the why's but to take what he left and reflect on that. I LOVE LOVE LOVE you Rossanna, Raquel, and Becky.

“ Still in shock... And my heart hurts for his family.. =(I had been going to Power Fitness for 2 years before I moved and saw him every time. He always had good energy around him and inspired me to work out harder.. Shared a couple laughs and he always talked about his daughters and what a joy being a grandfather was. I could tell how much he adored and loved his girls.. Keeping them and all who has been affected by his passing in my prayers. May God give them strength and peace during this difficult time.. My sincere and deepest sympathy and condolences..
