“ You have my deepest sympathy and empathy in you loss. During such a time I was greatly encouraged by a promise I found in the Bible at Revelation 21:3, 4 where a time will come when we will not experience the suffering that come from this type of tragedy. With this thought in mind I invite you to visit [www.jw.org](http://www.jw.org), there you will find more information on Gods promise of the resurrection.

“ I will always remember the great times we had bowling and fishing together. We were always there for each other in times of need and I am so thankful that I was there for you at the end when you needed me the most. I will miss you dearly and you will be in my thoughts and prayers daily. You were a great brother and friend who put others needs before your own. Thank you again for all the love you gave me. I love you. Be at peace GOD BLESS YOU AND KEEP YOU.

“ You were so sweet to me, since the first time I met you at the bowling alley with Amelia. We had the best times at Thanksgiving and Christmas dinners!! Homemade yeast rolls, carrots with bacon so sweet they would make your teeth rotten and more. I loved cooking for you because you always went overboard telling me how much you loved it! My favorite fishing trip was with you, Amelia and Woody to Lake Woodruff speck fishing. We all caught SLABS!!!! But the highlight of the trip was when that fat manatee scared the crap out of me when he popped up at the back of the boat!! I swore I had seen the Loch Ness MONSTER!!! We all spent more times laughing together, that's why it doesn't seem fair to cry when I think of you now. I know in time we'll be able to laugh about the good times we all had together. I will always love you and keep you close to my heart! Laurie OOXX
