“ *My sweet beautiful, charming Hank, I will hold on to the memories of watching you grow up and cherish every moment I got to spend with you from changing your diapers to baking your muffins. You will be in my heart each second of every day. There will always be a piece of me missing without you. It will never be the same, your hug and strength meant the world to me and my daughter. You will be greatly missed in this world. I will love and miss you so much. I hate to say goodbye. I love you baby.*

Love,

Aunt Brenda

I know that you have finally found peace

“ *Michael, God gave me such a beautiful blessing on March 7, 1987. I am so proud to say that I'm your mom and I had you for 30 of the best years of my life. Life will never be the same without you! I'm a better person for having you not only as a son but as a friend. I don't think that there was or is a better person and friend than you were. You were always there for all of your family and friends with the kindest heart and since of humor. I'm really going to miss how you could tell a story.. You are a true Angel!! We had some of the best times ever---there are too many stories and memories to even tell. I will treasure them for the rest of my life. You gave me such happiness no matter how bad or good things were. I would gladly do them over again with you. I never gave up on you because I know just how special you are and were. I know that's why God has taken you to be with him. This is not a good-bye, as you will always be in my heart, mind, and soul. I will see you again in Heaven!! Until then, I will continue to live everyday with you near in my heart and help raise Joseph Michael as you would want me to. I know that you are and will continue to look down on us everyday. I promise that I will make you proud just as you did to me. You can Rest In Peace! You deserve that and so much more! It has been a true honor to be your mother. I love you more than you could ever know son...*

Donna*

“ Mike was a son, father, brother, partner, nephew, cousin, and a friend to many. There are no words to even begin to convey what this loss will mean to us.

We all have our demons in some point in our life, sometimes the demons win. Please let this loss be a lesson as we go through life without Mike. If you need help, get it. If you have lost touch with your family, reconnect. Do it today. I am grateful Mike is no longer in pain and pray that he rest in eternal peace. Mike was very much loved and always will be.

Please keep Mike's family in your prayers. Pray for strength for Donna in the days ahead and continue to support all those that are affected by this loss.

“ I unfortunately haven't Ben able to see Mike in a few years and I regret that fact so much now. One thing I can definitely say is that he always wanted those around him to smile and have a god time with him. I know I did... and sometimes we had too much fun lol my heart is heavy thinking of you today bro. I know you're up there with all the other amazing characters that we lost to early and that's really the only comfort I can take out of this, so save me a spot homie but until then you will be missed very much by so many people.

“*Mike, It is hard to find words to say when I just lost my son. Even though we argued about things, I always wanted the best for Mike. When a man is as smart and has a such a pure heart and is a great person, the best is what they deserve. Mike and I had a plan to re-start a trucking company as full partners. I will carry on with those plans to help take care of Mike's son and Amanda. My heart is broken and things will never be the same without him. I'm so glad that we were in a good place. I love you Mike, always and forever. You will always be in my heart.*

“ Mike-

I hope you know how very much I loved you. And proud I was to be your sister. I always kept you close me. That amythest heart you have me when you were so little is around my neck. I'll always remember you as that cute little baby that Pop called Jaws, the little blonde haired boy with ringlet curls playing with tractors, and big hearted sweet man you became. I'm so lucky that I was the only person to say I was your sister. I will love you always. A piece of me is missing now. Rest in peace baby brother. Ashley
