“ You have my deepest sympathy and empathy in you loss. During such a time I was greatly encouraged by a promise I found in the Bible at Revelation 21:3, 4 where a time will come when we will not experience the suffering that come from this type of tragedy. With this thought in mind I invite you to visit www.jw.org, there you will find more information on Gods promise of the resurrection.

“ Hello, I would like to express my condolence at this time to your family. The Bible is a great source of encouragement at times like this, a comforting thought is at Revelation 21:3,4 where it states "...And he will wipe out every year from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." This scripture gives us hope for the future! For more information please visit our website at jw.org
