

Miya Moneak Hampton

December 14, 1974 - February 12, 2018

Miya Moneak Hampton, age 43, died peacefully surrounded by her loving family on February 12th, 2018. Miya was born on December 14th, 1974, in Orlando, FL.

Miya is survived by her parents Patsy and Joe Johnson; her siblings (Travis Binkley and Chaz Johnson), and their spouses (Susie and Jennifer), as well as her nieces (Jordin and Kenzlee), and nephew (Mayvin). Miya is also survived by her Uncles and Aunts (Betty and Al Boatman, Charles and Angela Binkley, Sarah Travelute, Cynthia Binkley and Janis Painter, Leonard and Gina Binkley, Pam and Shahab Danesh, Johnie Mae Johnson, Erica Johnson, Kathy Johnson, and Danielle Johnson. Additionally, Miya is survived by many other relatives that love and adore her; however, their names are too numerous to list. Miya was very close to her deceased Grandmother (Alma Binkley), and her deceased cousin (Montrel Pride).

Miya struggled with diabetes, blindness, as well as numerous serious health issues. In the face of all her struggles, Miya fought hard to live a spiritual life and she loved God. Anyone who met Miya learned the meaning of having courage and being brave. Miya was kind, affectionate, compassionate, friendly, gentle and loving to all in her family. Miya loved spending time at the LightHouse because they made a positive impact on the quality of her life as a blind adult.

With Miya's passing, her family knows that there's one more angel in heaven. A celebration of life funeral for Miya Moneak Hampton will be at "A Community Funeral Home & Sunset Cremations" located at 910 W. “ My Niece Miya,

In the end you ask god for forgiveness and he opened his arms to a world we all one day will have the joy of knowing. Now, that you are with your grandmother, you both can continue shopping every Saturday. Shopping with you two kept me on my toes, you getting lost, your grandmother running her motorized shopping cart into walls, displays, and people. It was never a dull moment with you both and I'm so happy that you were brave and courageous to move on to be with God, your grandmother, Montrel and Toby. Life now will be forever gracious to you and we here on earth know you are watching over us. While we all are talking about our family in heaven you all are too talking about us here as well, so help guide us to make good decisions and love people for who they are, just as you did here on earth.

*Love you Miya,
Aunt Cynthia and Janis*

“ *Miya came in as a sweet little girl and she went out as a sweet little girl. I am so proud she left this world on “her terms”. Over forty years of suffering that I could never have endured. As her mom and my sister Patsy has said, one word HERO!!! Enjoy your breakfast of sausage gravy and biscuits with Granny, Montreal, and Toby, sweet girl. Your uncle Leonard loves you!!!!*

“*Miya was one of my first students years ago when I was a new instructor at Lighthouse Central Florida. Her laugh and smile always lit the room up, and she was always eager to learn something new. I chuckle the first time she was introduced to a screen magnifier and she shouted, "Wow, I can see that, its so BIG!" Her wonder and amazement was infectious and she encouraged others to be fearless learners. God Bless You*

“*Miss Miya, thank you for coming to see me yesterday morning. I just want everyone to know that Miya is standing without waver. She has her golden brown skin again. Her beautiful curly hair, but best of all she can see. She had the biggest smile on her face, mom and Montrel had that same smile on their faces. I am so happy for her, and I thank god for taking care of her. I love you Miya, looking forward to our next visit.*

“ Dear Miya,

It is a privilege and an honor to know you. I feel blessed to have the opportunity of working with you at the Lighthouse. You have encouraged and uplifted so many people to stay strong and never be intimidated by blindness. One of the best days that I have ever had at work was when you were in my independent living skills class. It was the first week and everyone was a little nervous and scared except for you. After lunch, you got lost at the apartment complex next door to our school on your way back to class. Instead of panicking, you began knocking on random windows stating, "Hey, I am late for ILS class and need some help getting back." Although each person you encountered responded by saying, "Who are you, what is ILS class and how did you get outside my window?" ,you pressed on and did not give up. Even after walking through a small fountain, you made it back and showed the class that anything can be accomplished with persistence. Every day was an adventure with you in class and I truly looked forward to seeing you and hearing your awesome stories. You are a true hero at the Lighthouse setting a legendary example of a shining star. You are fearless and full of life and excitement. Miya, your presence will always be here and you will always be loved by your Lighthouse family.

“ Dear Miya:

You were like a daughter to me. Your mother and I lived together before you were born, and after your birth. You and my son were like brother and sister. When people saw us together, they always thought I was your mother, and we would laugh and say no. Although you did not believe this, you were greatly loved by all. Your disappointments in life were crushing; yet, you persevered. You lived your life with dignity, and you showed us all the meaning of strength and courage. Your life's challenges truly humbled me, and I prayed for you daily.

I love you Miya, and my heart is breaking with the news of your death. Please know that you will be greatly missed, forever cherished, always loved and remembered.
