

## Mohabeer " Tony Sing A Song" Singh, Jr.

July 10, 1970 - March 26, 2016

Mohabeer Singh Jr., aka Tony, Babo, and Tony Sing A Song. He started his life in this world July 10, 1970 in the Bronx, New York. He was born to Marta Gotay and Mohabeer Singh Sr. He had five siblings, Isabel, Angel, Ray, Felicia, and Derick. Tony lived for his six children, Dylan, Hailey, Mason, Angelina, Maximus, and Silas, two grandchildren, Jazlyn and a baby boy on the way, as well as his wife Cynthia.

He is an open-minded, accepting person with a heart of gold and an amazing sense of humor. Tony is a forgiving person and always focused on the good in people. Tony never cared what anyone thought about him, as long as he was happy and felt comfortable. Tony made an enormous impact on many people's lives. Even though he went to school to be an LPN, his passion was in the automobile industry.

In the midst of all the changes, Tony's life always revolved around his family. No matter the day no matter the time helping people was always a priority. For the past few years, he traveled throughout the United States working tent sales, with in that time frame he continuously made an impact on everyone that met him.

For those of you who knew him, you know that he loved documenting his life with pictures and videos. He loved all types of music. Tony's family knew him as the 'love child'. He was always trying to bring family and friends together to create good memories and have a great time. In these tough times, Tony

would've wanted us to celebrate his life and remember all the great memories, and lives he has impacted over the years. The heavens have gained yet another angel to watch over us and guide us in the right paths through life. Although we all won't have him physically present, his spirit and soul lives on forever in our hearts.

As Tony would say, "Tony Sing A Song all day long, and all night if you let me."  
R.I.P. Mohabeer Singh Jr.

The Sun Always Shines.

“ I will never forget the day I met your dad. It was my first day on the job at Specialty Motors back in 1994. That day, I met a friend who would forever changed and impact my life. Tony was the most kind, charasmatic, loyal and trusting friend you could ever ask for. He truly believed that everyone had good inside of them, some you just had to dig a little deeper to find that good but Tony was always up to the task. Our kids grew up together as our friendship grew stronger. He was my friend and confidant, my biggest cheerleader. I'm sure many felt that way about Tony. I was fortunate to have Tony and his precious family in my orbit for 22 years. Tony I will continue your quest to champion the underdog and to believe in the good in people in spite of what others may think or say. Thank you for loving me and being my friend. I will never forget you and all the things you have done for me. I will share all your crazy stories with your kids as they grow up and boy do I have some stories!! There's the judge's BMW story, the old lady and the possum in Joe's office, Lord I could talk all night about Tony's antics and make you laugh until you cry....much like I am right now. I miss you Tony. Our lives are forever impacted by your kindness, your joy for life and your intense love for your family and friends. God speed my friend and may you rest in peace until we meet again one day.
