“ *When the enemy death strikes your grief can be great. It's never the right time to say goodbye to a loved one. Death too to many seems to be a part of life. It's during times such as these that we can find comfort in the Lord's Prayer in Matthew 6:9, 10 ~ "Our Father in the heavens, let your name be sanctified. Let your kingdom come. Let your will take place, as in heaven, also upon earth". Only God's (Psalms 83:18) Kingdom can bring peace, happiness, perfect health, and everlasting life. “ *Dear Asmita and Family, I am so very saddened to hear about Mohit. I can only imagine how great your loss is as he was such a wonderful, smart and funny person. I can very clearly see you both at the HART adoption events standing to the side with Maggie before you adopted her. It was always great to be around both of you. I am so very sorry. Love, Charlene*

“ *Bubble, words can't express how much you'll be missed. You were always full of kindness, joy, and love...family gatherings won't be the same. Thank you for always scaring me when we were kids...haha, taking me out for chocolate eclairs and mango ice cream, giving me great brotherly advice, and always making me/the family laugh. We will keep your memory alive for your sweet baby girl. My love to Asmita, Navya, Meena Auntie, Madhavi Didi, Mona, and the rest of the family. Still can't believe you are gone...rest in peace.*

*Much love,
Soni*

“ Dear Asmita & family,

What happened is unbelievable. We have to accept it somehow. Let God give you strength and courage to carry on the unfinished task of Mohit. We wish the clock could be reversed, but that is not going to happen. Hence we have to move forward with time, carrying memories along. We are with you every single moment. We pray to god for you, Navya, for all of us and for peace to Mohit.

“ Atyaaji has these memories of Mohit " When he came to Ahmednagar, India as a toddler. And the entire family use to sit in the garden during evenings. When he use to see Doctorsaheb go out frequently for surgeries and consultation; Mohit would say " Ye kya Doctor hai? Aata hai aur Jataa hai humko ghumne nahi lay jata." He use to ask Doctorsaheb " Tumhare pass injection kidhar hai aur tum doctor hai!!!!!! Mohit stayed in Ahmednagar for a year. During his stay he was very social and use to get his friends home and ask me to make "Amti ani Bhat" which was his favourite. Whenever a cricket match used to be screened he would ask more friends to come and see." Very loving and witty child"

“ We pray to the God and Guru so that all of us have the strength and courage to face this unexpected and irreplaceable loss and void left by Mohit's passage to the after world. May his soul rest in peace and tranquility. May God's brilliant light always shine on Meenatai, Asmita, Navya, Madhavi and Mona and all of us and take us out of this darkness and sadness.

“ At Pune in Mira Housing Society, Mohit was 3 years old, he was a very adorable child and had chubby cheeks. I use to stay for a few days each time I came to Pune. He would love to sit on my lap when ever I sat in the balcony on the top floor and would pester me to tell him stories - his exact words would be Anandmama goth bolo goth bolo(as he could not pronounce the "s" he use to say goth instead of gosth - story) which he would repeat till the time I told him one. At first I could not figure out what he meant but after little Madhavi translated it dawned on me what he was after.

Mohit had a lot of toys and he loved to play as well throw those toys from the balcony on the ground floor and despite all of us telling him not to do so. This prank of his was a favourite atleast once every day. And Madhavi and Mona had to go down and get them and hide them from him for some time.

Sometime later - he learned the art of story telling - one of his favourite was " Ek hamma gay thi, usko ek paisa mila, toe usne ek pop corn liya aur ek coca cola liya aur phir ek shemti lagayi" with a great action he would show where the tail was attached !!!
