“ *When I was a young boy, I used to play with Benjie every time I visited my auntie Marta and Juan Lao in Jacaguas, Juana Diaz, Puerto Rico 🇵🇷. Little did I know, that he had a sister named Monique. One day, I saw Monique... such a pretty little girl! Decades passed by, and I find Monique on Facebook and we learned who we were, we shared so many great stories about family and we continued sharing through messenger. The last time I texted her was while she was visiting her husband's family in Republica Dominicana. I became numb when my sister Margarita told me about Monique, The news totally devastated my life. I miss my prima so so much... I'm hurting!*
