

Mony R. Ponce

December 17, 1957 - January 15, 2025

Mony Ponce passed away in the arms of her devoted husband on January 15, 2025 at 12:05 AM. She was born on Leon Mx on December 17, 1957

All her life she was loyal devoted wife and most all a loving caring mother to her two daughters Marisol and Miriam and recently her new born grandson Elijah Phoenix.

We moved to the US on a cold fall and she worked very hard all her life to achieve all her goals and dreams. She was a guide and counselor for more than one. She guided our family thru the most challenging times and thanks to her we survived many troubles. She had strong character and her Will as strong as steel and never bent to any problems life threw at her.

A Visionary and always prepared for today but more importantly the future. She helped transform the life of many of our family, friends and even strangers with her generosity and kindness. She was always there when needed and never said no when someone ask for her help.

Now I tell you that I will carry your torch and will do it with the same love you and I share all these years together.

Fly high and light the way, just make sure it is bright enough so I can follow

you when my time comes so we can be together again for eternity. We will carry you with us in our hearts whenever we go whatever we do.

“ *Mony, I am super grateful to have met you and shared a little bit of time with you. You are always welcoming, kind, smiling and wanting to send me home with your delicious homemade cooked meals. I know that we will see each other again and I can tell you that you look beautiful as always and talk about your novelas. I thank god for letting me be part of your life, until next time.*

“ Mami

*I'm still in shock since you left
My heart doesn't beat the same as it used to
I still can't believe that my guiding light is no longer there
I looked up to you for advice in all aspects of my life
My heart is broken and I don't know how to start to mend it
I feel alone and helplessI feel lost
You guide me with love and discipline
Your expectations of me were a lot and I tried as hard as I could not
to disappoint but I'm sure I often did
I hope that you know that
I loved making you proud
I loved making you happy
I'm going to miss out conversations, mainly you helping me thru
life's toughest situations
You are responsible for the best part me
Mami I love you and you will always be in my mind and in my heart
Te extraño muchísimo*

“ You’re leaving us with a huge hole in our hearts and lives. Nothing will ever be the same without you here. I feel lost without your guidance, you never taught me to live this life without you! You were an integral part of my life, but I will make sure Elijah knows just what a wonderful, powerful woman you always were!

When Tomorrow Starts Without Me

By Eben Alexander

*When tomorrow starts without me,
And I’m not there to see,
If the sun should rise and find your eyes
All filled with tears for me;
I wish so much you wouldn’t cry
The way you did today,
While thinking of the many things,
We didn’t get to say.
I know how much you love me,
As much as I love you,
And each time you think of me,
I know you’ll miss me too;
But when tomorrow starts without me,
Please try to understand,
That an angel came and called my name,
And took me by the hand,
And said my place was ready,
In heaven far above
And that I’d have to leave behind
All those I dearly love.
But as I turned to walk away,
A tear fell from my eye
For all my life, I’d always thought,
I didn’t want to die.
I had so much to live for,
So much left yet to do,
It seemed almost impossible,
That I was leaving you.*

*I thought of all the yesterdays,
The good ones and the bad,
The thought of all the love we shared,
And all the fun we had.
If I could relive yesterday
Just even for a while,
I'd say good-bye and kiss you
And maybe see you smile.*

“ *Our dear beautiful and selfless friend Mony,*

As you close your eyes for eternal rest, may all your pain and troubles be lost forever.

May you find a new and peaceful paradise to the world of eternal life.

You have done an amazing job of supporting and raising your lovely family. And now there is a new life of a grandchild, Elijah. He will be raised with all your incredible strength and ever lasting love. Elijah has his guardian angel to watch and protect him from above.

All our love forever,

Ron, Marianne, Christina and Brooke

“ *The journey of grief is long and winding. There are days filled with laughter and others steeped in sadness. But one thing remained clear: my friend's mother would forever be a part of who they were. To lose a mother is to lose a guiding star, but in the heart of those left behind, the love and lessons endure, illuminating the path forward, even in the darkest of times.*
