“ *Mark and family,
I have just learned of Nancy's passing. I am so sorry for your loss. I have so many fond memories of Nancy when we were kids living next door to one another. It was always a special treat when Nancy's parents would take my Mom and Myself to Gulf Shores with them for a few days. These trips to Gulf Shores happened quite often and of course Nancy, Mark and Myself would be so excited. I am very grateful to have these memories from my childhood and think of them quite often. Rest In Peace Nancy Sue and soar high with your new angel wings!*

“ Nancy was a feisty one! If you said anything negative about her Alabama team, she'd be sure to set you straight! LOL I remember giving her flowers one year, for her birthday, she was so touched; said she couldn't remember getting flowers (I'm sure she had) but it made ME feel special! That's why I felt compelled to share flowers for her celebration of life! See ya, Nancy...ok, ok "Roll Tide" ;-) <3

“ I'm going to miss Nancy. Her quirky sense of humor and outlook on life. Her love of food and family. Even with her health not being all that it should, she was able to enjoy her family and her pets. Some people dont get any enjoyment out of life. Nancy wasn't that way. Rest in peace and we'll see you again.
