“ My son was a client of Nancy's and he would never let anyone touch his hair but her. Children have an untainted sense about people and he was so drawn to Nancy. That says a lot about her. He loved her wild hair and her gentle spirit. Nancy has left a gaping hole in this world ❤️

“ Nancy had been doing my hair for about a year. She was so sweet. And she was very good at what she did. The last time I got my hair cut in November she fixed a style I did myself that I found on YouTube. She was giggling the whole time telling me I "youtubed my hair". She seemed very vibrant and talked about her plans for the future. I'm so very sorry for her family's loss. I can't imagine what you're going through and my thoughts and prayers are with you.

“ *To Maldonado/Carrasquillo families. Although I never had the pleasure of meeting this beautiful young woman I know she will be deeply missed. I grew up with her mother (love her dearly) her grandparents were my aunt and uncle from the heart. We shared a b-day and never able to get together to celebrate. My heart is with you all. May you rest in Paradise beautiful Nancy.*
