

Nancy Elizabeth Noyes

April 13, 1953 - July 16, 2016

Nancy Elizabeth Noyes, a dear friend to many, died suddenly July 16, 2016 with her family and friends by her side. Born in Philadelphia, PA April 13, 1953 to Dr. Charles E. Noyes Jr. and Nancy B. Noyes , she moved to Orlando at the early age of 2 where she spent the remainder of her life. Nancy graduated in 1971 from Boone High School and attended The University of Central Florida (formerly FTU). With her mother, Nancy was the proud co-owner of The Infinite Mushroom, a beloved Orlando institution for more than 35 years.

She had a passion for reading, traveling and entertaining friends whom she had from all over the world and all walks of life. She was a good friend to many and a best friend to more than a few. She valued and remained close through the years with those that shared her childhood. Nancy was always there with an ear to listen or a shoulder to rest your head on. She loved and cared for her dogs, Lulu and Tina, like they were her children.

Her infectious laugh and purple hair were well known and bright, vibrant colors were splashed throughout her life from her hair and nails to her funky decor at home. They matched her heart.

Nancy is survived by her father, Dr. Charles E. Noyes Jr., her sister Terri Noyes Dombroski (Thomas) and their children Anna, Noah and Leah, and her sister Alison Noyes Thomas (Bill), and their children George and Charlie, her

Aunt Kathy Campbell of Guilford, CT and her cousins Amy, Carrie and Sarah and their families.

She was preceded in death by her beloved mother Nancy B. Noyes ("Big Nancy").

A service will be held at A Community Funeral Home, 910 West Michigan St., Saturday, July 23 at 7:00 pm.

In lieu of flowers, donations may be made to the Coalition for the Homeless of Central Florida and/or The Mustard Seed of Central Florida.

“ My heart sank as I heard this news. Many great memories of Nancy came flooding back from high school days. She was a part of so many of our lives. I specifically remember working on her little MG Midget and her letting me and Doc Holaday drive it around for days. She didn't give it a second thought to share and allow us to have fun with her little Midget! Even after high school we kept in touch and had many occasions to see each other. I know if I had had the chance to see her before she passed she would be the same great lady I've always known. It is so good to hear from everyone how they have been blessed by knowing Nancy. I can truly say my life was affected by hers and if there is any credit given out in Heaven for that I'm positive she has racked up many points on her behalf. We Love you Nancy Noyes!!

“ To my sweet loyal friend Nancy, I met you in high school and we become fast friends. You taught me how to drive and you made me wear lipstick!! I loved spending the night at your house because you, Big Nancy and Auntie B were the coolest! We remained friends through the years even it we didn't talk for long periods of time we always knew we could call each other and pick up right where we left off. You are gone to soon. You called me Thursday to say let's do lunch. I wish so much we could. I'm so sad.

RIP my friend. You are loved and missed by so many. XOXO Sue

“ I remember the days at St. Luke's Cathedral and Saturday nights with so many of us at the EYC. That stood for the Episcopal Youth Center. We weren't old enough for the Orlando youth center or Winter Park youth center yet. But when we got old enough we all went.

“ Nancy and I were good friends for almost 40 years, best friends for many of those. We traveled the world together seeing Australia, Europe, Hawaii, Alaska and more. We were partners in the Infinite Mushroom and we had a great time. Selling concert tickets, buying posters and going to Atlanta and Las Vegas for buying shows was the best. Remember the Diet Coke in your suitcase? And there was the trip to the dude ranch where we met your life long friends Kevin and Claire. Of course who could forget your infectious laugh and purple hair? My dear friend, I love you and I miss you.

“ In 1973 I met this dear woman, as she married my brother David, in May. I remember thinking how classy she was and visiting her at the infinite mushroom, where I received as a gift from her and my brother my first purse, made in leather -suede and fringe all over, I loved it! I always felt special when Nancy was around. Their marriage didn't work out, and I've only seen her a couple times in all these years, but Nancy holds a forever special place in my heart. God bless your soul and hold you close, dear one and know that you are loved! So sorry for your loss, dear family
