“ I have known Nancy thru St John Vianney- Missed her while she was on the coast. I never heard her raise her voice- always a soft spoken, God-loving lady. She was one of the most spiritual persons I know, I gained strength just being near her. When she was struggling earlier this year and wanted to "go home", I told her ,her work for HM was not done yet. So se must have touched enough hearts and souls, that HE decided it was time. Will miss her- but she will always be in my heart

“ My sincere condolences to Nancy's family and loved ones. Nancy was my very first claims supervisor when I started in WC 25 years ago. She was a great lady who was full of knowledge and understanding. We were able to briefly catch up with each other several years ago at a conference and it was great to see she was still the same positive, energetic person she had always been. I know she will be greatly missed by all that were close to her.

“ I met Nancy when I attended my RCIA classes at St. John Vianny and she was my most knowledgable and caring instructor. Nancy was always inspirational with her faith, and the way she motivated the class members to be introspective and learn about their own growth in faith. It was an incredible journey. I am forever blessed with the gifts of her teaching, and the joy of being godmother to Patricia, her granddaughter. Glory to God in the highest, rest in peace Nancy.

“ *There are so many memories! I couldn't begin to think of them all, but the most important to me right now was her strength, and her willingness to go 'home'. She was never afraid of death. She viewed as her final gift, and literally couldn't wait! I was always in awe of that. God bless you Nancy! So very glad you are finally healed!*

G-mom, you are so right, she was never afraid. She wanted so bad to be with God. 2 of her favorite songs were "I can only imagine" and "big big house" and boy would she sing them with such enthusiasm. I am so glad you were her friend through many generations, she loved you and your family so much. ❤️

“ *My condolences go out to the family of Nancy Riley. I worked with Nancy at Johns Eastern Company for quite a few years. A while back she met with a few former JECO employees and joined us for dinner. We were so happy she had retired and was planning on traveling and enjoying herself. She was a wonderful person, who will be remembered and missed by many. RIP Nancy. Your pain is gone and you will live in heaven forever!*

“ *So many memories! Nancy came up to Michigan when we were tweens and stayed with us for a while. She was always so nice. In 1999 me and Dave came down there We went golfing and had a blast. I have some nice pictures too. Most recently, Nancy and Linda came up here and visited mom when she was in the hospital then she came home and mom wasn't walking. But when she saw them out on the deck she got right up and walked over to them. She was so excited she forgot she couldn't walk. I think it's because they wouldn't let her walk in the hospital. That was really exciting! If Nancy was in any pain she never complained. She's a beautiful, loving, open and warm person. She'll live on in my heart.*
