*Ms. Persaud was one of the kindest persons I met in a workplace. Her kind voice and smile will last long and long years in my heart. My thoughts and prayers are with Ms. Persaud and her family.*

“ *My name is Tara Pineiro and I have had the privilege to work with Nanda at QCH for the senior services department. I remember meeting Nanda for the first time seven years ago, I can recall her warm smile and inviting personality. Nanda always extended a positive outlook on life and her sense of humor made others feel comfortable. She celebrated special moments which made me feel a sense of joy and happiness. She always reminded me to cherish those around you and never take life for granted. She was always there through good times and bad and to share the joys of personal achievement and to be a source of conciliation when needed. Not only were you my supervisor but a close friend who was caring and compassionate, you will be sorely missed. From Tara and to Nanda's family.*

“ I Rose Desravines, met Nanda 20 years ago at QCH/Case management department as coworkers. Since then we were connected and became very close friends. Nanda was a very loyal person especially to me. She knew me well. She had a way of knowing when I'm sad or not.

She quickly introduced me to her partner Tony and few of her family members, specially her niece Melissa. She was a fun person who enjoyed the company of others. We often hang out with other friends too. Nanda was a person who will makes you laugh, by cracking jokes until you laugh your head off.

My dearest Nanda, unfortunately we have to put our fun, our drinks and laughter on hold until we see each other again.

May you rest in God's peace. No more pain and sorrow.

from ROSE and family to my dear friend/sister Nanda's family❤️❤️
