

Neida I. Garcia

October 4, 1949 - February 2, 2023

Neida Iris Garcia-Medina, age 73, passed away February 2, 2023 due to cancer. She was born on October 4, 1949 in San Juan, Puerto Rico to Diana and Pastor Garcia. In 1989 she moved to Orlando, Florida to start a new chapter in life.

Neida loved to help others, especially in her role working for Orange County Public Schools in Florida. In this field as an ESOL Program Assistant, she assisted, motivated, and guided many new students that came from other countries. She always encouraged the students not to give up regardless of whatever barriers they faced.

Neida enjoyed breakfast, and enjoyed it even more when her children and grandchildren joined her on a weekend visit to Perkins. She loved to cook, and took pride in serving her family, especially her grandchildren. She was dedicated in serving the Lord, and strived to live in His example every day. Neida's faith was a living example of her favorite Bible verse, Psalm 46:10 "Be still and know that I am God".

Neida is survived by son and wife, Alejandro and Jamie Medina, her daughter, Cristina Croes; grandchildren, Izzabelle Medina and Emma Croes; and her brothers and sister. All whom she loved.

“Cristina & Emma, I'm so sorry for your lost. I meet your mom 6 years ago at St. Isacc Jorgues CC. She used to go after mass to church center and enjoy some empanadas and coffee. Then came covid and they stopped serving. I then went through a battle of cancer, and I share it with her. She encouraged me to eat even if I wasn't hungry. Every so often she would send me bible verses and they were always great encouragement. She was a very special lady. And yes, she will be truly missed. I'm grateful that I was able to meet you Cristina and Emma and I hope and pray that we can stay in touch. As she always signed off whenever she sent me a text my sister in Christ.
