

Nestor Raul Barrios

January 19, 1957 - June 4, 2019

Nestor Raul Barrios, 62, of Orlando, entered the gates of heaven on June 4th, 2019 surrounded by his loving family.

Nestor was survived by his mother, Leonor Barrios, his sister, Patricia Boyd, his three children, Jessica Barrios, Ariel Monica Barrios, and Anthony Michael Barrios, his grandson Michael Anthony Nappo, his uncle and aunt Edilberto and Herminza Pedraza, and many friends and extended family. He was preceded in death by his father, Jeronimo Barrios, his grandmother Domitila Ospina, his aunt Flor Mercedes Amaya and his brother in law Robert Boyd. Nestor was a loving father, son, brother, grandfather, and friend to everyone.

Nestor loved sports, especially football and baseball. His favorites teams were the Indianapolis Colts and the New York Yankees. He lived in Passaic, New Jersey for most of his life and relocated to Florida in 2001. He worked as a plumber, general contractor, and electrician for 40 years, but was forced to give up the career he loved due to his health. He spent his free time watching sports, Maury, Family Feud and crime shows on TV and enjoyed helping his family any way that he could. He also loved all genres of music especially classic rock. It brought joy to Nestor to help relatives and friends with household projects. Nestor's personality was one of a kind and brought happiness to those around him. He will be greatly missed.

A special thank you to Orlando Regional Medical Center and the VITAS Hospice team for their loving care and support during his final days. Thank you to A Community Funeral Home & Sunset Cremations for their guidance and compassion during this difficult time.

“ *Thank you Nestor for always telling me to live in the moment and concur my fears. I'll never forget the staten island ferry ride you took jess and I on when we were younger. You knew my fear of boats and you encouraged me to get out of the car by telling me the Hudson river was only 4 feet deep and there was nothing I should of been afraid of. Thank you for introducing me to so much music as a kid especially Mo town philly as it blared through the speakers in your truck everytime you came to pick me up to come by your house to play with Jessica. Thank you for raising an amazing daughter that I can proudly say is like a sister to me and my best friend. I'll never forget the time you registered Jessica for school and wondered why she wanted to go to passaic high school you saw me and screamed "oooo that's why!" You were an amazing man I will surely miss you. Rest in Peace Papa Nestor.*

“ I looked forward to chatting and texring before mass every sunday before i left the other parish he attended and there i stayed. At the moment of giving each other the peace we would end with each other signalling like the baby boomers we were from 1 aisle and 2 rows in with His huge smile and/or protests of things we disliked Lol. Im glad im not attending thst parish anymore because the thought of not seeing that smile is sad. BUT Hes in heaven chillaxing alingside our heavenly father where there is no pain. Rest in peace my friend, till next we meet. My condolences to the family.

“ Although we never met I still feel a closeness to Nestor, a first cousin. My dad spoke to me about his brothers and their families. I feel like I knew you in a small way. Life never brought us together. To Patty, her mom, and his children, please accept my deepest condolences. He was gone too soon. I pray that God give you strength in this very difficult time. May he Rest In Peace in Gods glory. With love, Carmen Elisa Barrios hijab de Fernando Barrios

“ Love you Dad! My life will never be complete without you! I'll never forget your air guitar sessions making gestures as if you were in a rock band. The weak hands joke- when I wouldn't do what you told me to do. "Read the directions" was your favorite line while opening toys and games you got us. So many great memories that will be forever embedded in my heart and soul. You were one of a kind dad and I'm so grateful you were my daddy! Goodbye for now, but never forever. We will meet again in heaven and I will do my very best to live my life through your lessons and kind heart. Love you so much!!!
