~~When Tomorrow Starts Without Me~~

*When tomorrow starts without me and I'm not there to see
if the sun should rise and find your eyes all filled with tears for me.
I wish so much you wouldn't cry the way you did today
while thinking of the many things we didn't get to say.
I know how much you love me as much as I love you
and each time that you think of me, I know you'll miss me too.
But when tomorrow starts without me please try to understand
that an angel came and called my name and took me by the hand.
She said my place was ready in heaven far above
and that I'd have to leave behind all those I dearly love.
But as I turned to walk away a tear fell from my eye
for all my life, I'd always thought I didn't want to die.
I had so much to live for so much yet to do
it seemed almost impossible that I was leaving you.
I thought of all the yesterdays the good ones and the bad
I thought of all the love we shared and all the fun we had.
If I could relive yesterday just even for awhile
I'd say goodbye and kiss you and maybe see you smile.
But then I fully realized that this could never be
for emptiness and memories would take the place of me.
And when I thought of worldly things I might miss come tomorrow
I thought of you, and when I did my heart was filled with sorrow.
But when I walked through heaven's gates I felt so much at home
when God looked down and smiled at me from His great golden
throne.
He said, "This is eternity and all I've promised you*

*today your life on earth is past but here it all starts anew."
"I promise no tomorrow but today will always last
and since each day's the same day there's no longing for the past."
"But you have been so faithful, so trusting and so true
though at times you did do things you knew you shouldn't do."
"But you have been forgiven and now at last you're free
so won't you take my hand and share my life with me?"
So when tomorrow starts without me don't think we're far apart...
For every time you think of me I'm right here in your heart.

“ *Nicole, when I heard you were gone. I went straight inside and grabbed your "Granny Faye Dookie head" held her and hugged her tight. I recall the time Marvin and I snuck in the window at Granny's and scared the tar out of you. Many FUN memories we share! You were HONEST, and CARING always. They'll be no more HELL and hurt for you on this earth! While you're up there, would you give David a hug and kiss from us all. God bless your spirit! You are loved and missed.*
