

Mrs. Nina Vansant Camp

January 15, 1955 - April 8, 2026

Mrs. Nina Vansant Camp, age 71, of Kissimmee, Florida, passed away on Wednesday, April 8, 2026. Born on January 15, 1955, in Douglasville, Georgia, Nina was the daughter of the late William Victor Vansant and Wilma Rickett Vansant, who survives her. She was an only child.

Nina built a successful career in business technology sales, spanning nearly 20 years and culminating in her role as an Account Executive for a major office solutions company in Central Florida. Prior to this, she held management positions in multiple craft focused retail stores. In 2019, she stepped away from her career to become the devoted primary caregiver to her late husband, Charles Royce Camp, remaining by his side until his passing in 2021.

Nina expressed her love through acts of service and rarely rested when there were things to be done or people to care for. She found joy in creative pursuits, especially in designing beautiful floral arrangements for family and friends. She was fiercely loyal, deeply protective, and unwavering in her dedication to those she loved.

Nina's memory will be cherished by her beloved daughter, Lillian C. Poss (Kevin) and mother, Wilma R. Vansant; her loving stepchildren, Dustin W. Camp and Paula A. Crosby (Jerry); her dear cousins, Anita (Don), Rick

(Melanie), Marty, Linda, and Tony; as well as her late husband's four grandchildren, eight great-grandchildren, and six siblings.

A Celebration of Life will be held in Kissimmee, Florida at a later date for close family and friends. Nina will be laid to rest at sea alongside her husband off the coast of Marathon, Florida.

In lieu of flowers, the family kindly suggests that donations be made in Nina's memory to the American Cancer Society at www.cancer.org.

“ *That makes me sad. Going to the keys and lobstering and hanging out with the PM Hunt Club were happy times. Those were/are the memories of a lifetime.*

You & Royce will always be with us.

Much Love,

“ *Any trouble at Big Mama's Nina got into, one could attribute that to me. I taught her how to swipe the frosting off a cake without getting caught. Fredda is so right, we were raised with Nina Ruth. We crawled on the chicken houses and played and always got in trouble because the hens wouldn't lay. Nina will be sorely missed. She was more like a sister than a cousin. RIP Nina ! Prayers for Wilma and her daughter and family*

“ *I have many fond memories of Nina growing up. My grandmother kept Nina, me and my sisters when we were growing up and our parents worked. I remember how Nina and my sister Diane used to love to play beauty parlor . They would comb ,brush and put rollers in my hair. I looked a sight after they finished with me. Nina was a special person . I am keeping all the family in my prayers. 🙏❤️🙏*
