“ *When the enemy death strikes your grief can be great. It's never the right time to say goodbye to a loved one. Death too to many seems to be a part of life. It's during times such as these that we can find comfort in the Lord's Prayer in Matthew 6:9, 10 ~ "Our Father in the heavens, let your name be sanctified. Let your kingdom come. Let your will take place, as in heaven, also upon earth". Only God's (Psalms 83:18) Kingdom can bring peace, happiness, perfect health, and everlasting life. “ *It is still so surreal to me that you are gone. I know that you are in a better place now and your not suffering anymore. My heart hurts that your no longer with us, you have made a huge impact on my life and have done so much for me and I could never thank you enough. You were always there when I needed someone or something, I always knew that I could turn to you for anything and you would be right there to have my back. I really am going to miss you more than words can say, all the good times, the vacations we had and all the memories that go along with it. You will never be forgotten. Love you always may you rest in peace and will see you again one day!!!*
