After serving his country Tony started his career with the Chicago Transit Authority (CTA) as a serviceman and after 25 years he retired as Garage Manager for the Archer Station. In his spare time he enjoyed working on cars, fishing, cooking, coaching his sons inner city baseball team. After retiring from CTA Tony tried

hobbies but quickly realized that he was not a stay at home kind of guy, he took a part time job at Auto-Zone as a sales associate but somehow ended up becoming a store manager. In 2012, Myrna and Tony moved to Virginia to meet their first Great Grandson and Tony was instantly in love. Julian was Tony's heart. Tony would wake up early every morning and sneak into his room and take Julian downstairs so they could make breakfast together. This is what made Tony happy.

Tony was a family man who was known for being a man of honor who always put his family first. He chose his friends wisely and if you were his friend you were his family.

Otonier did not want flowers and asked in lieu of flowers please make a donation to THE WOUNDED WARRIOR PROJECT in his memory. <http://www.woundedwarriorproject.org/>
