*To: Veronica & family
Pam is was a pleasure knowing you. You will always remain in my heart. As I share my thoughts, I'm sitting here remembering the time we were chillin on the porch. Laughing our heads off about the kids. pam, I will continue to take care of your grand babies. An I will continually remind them of what will grandma say or do. (Lol).

“ *Lossing a mom. It's worser than labor pain it's a pain that linger on a pain that hurt so bad in your heart I lost my mama April 2, 2014 it was a pain i felt deep down in my heart my head spinning in circle the world closing up on me. But God was there to lift me up it's a every day process . I still have those memories of my mama and tears began to fall than i hold on to the word of God i will be you mother when you motherless. Weeping may endure for a night but joy comes in the morning. Hold on to God unchanging hand look to the hills were all your help come from. You will see her again. And i will see my mama as well. When God call us home to our rest. I will continue to keep you in pray and the family Be Bless.The Moore family.*
