

## Pamela Lynn Zoldak

July 8, 1958 - October 17, 2013

Pamela Lynn Zoldak passed away Thursday October 17th 2013 at Florida Hospital in Orlando Florida. Pam was a beloved wife for 23 years to the late Keith Zoldak, loving mother to Melissa Martin and Kara Zoldak and dear daughter to Bobbe and the late Tom Novak.

Pam was a cheerleader and went to the University of Michigan where she was a regular at every football game cheering her team on. Pam went on to become a highly recognized artist where she is well known for her amazing talent. She loved to spend every Saturday watching her Michigan Wolverines with friends and family and cooking her famous Maize and Blue muffins.

Pam will be remembered for her amazing smile and unconditional love to her family (among many other things). Her smile and laugh will be missed deeply by everyone. She was the most amazing wife, mother, daughter and friend and not a minute will go by that she is not thought of.

A memorial service is being held for both her and her husband who passed away about 2 in a half months ago on Saturday October 26th 2013 at 11:00am at A Community Funeral Home & Sunset Cremation followed by a lunch at Tommy Addisions. Please join us in celebrating the beautiful life of Pam and Keith Zoldak.

“ Rest in Peace Pam!

*Our search for our dear classmate has ended this morning. Many of us were looking forward to reminiscing with you at our 40th class reunion next year. Your spirit and smile were infectious and that made you a wonderful cheerleader and great person! Sorry we lost touch... Here is a little of what you wrote in my 1974 class yearbook. "Never forget our great J.V. Squad, I loved cheering with you (remember when we always crossed our fingers?) You'll Make a beautiful RAH! Keep the Spirit what ever you do. I wish you All the Sports champion seasons along with the cheerleaders. Good luck with everything you do for as long as you want. May 'God bless you'. Love, Pam R.M.A. P.S. You'll have to find someone else to go to practice with now. Cheer good." Pam was always cheering us on. Yes, you will be remembered always...'R.M.A.'*

“ Pam was one of the friendliest and happiest classmates in our class. I think she won best smile. We were cheerleaders at RHS and as we plan our reunion I know many will be thinking of her and warm personality.

“ I was a cheerleader with Pam in high school and loved her like a sister. We are so sad to hear this news while we plan our high school reunion. She will be honored at the reunion and in our reunion book. I am so very sorry to her daughters who apparently lost their dad a few months before Pam. Please stay strong and know I'm sure that your mom and dad loved you more than anything. You will see them again one day.

“ *It is so surreal that the two of them aren't here. Watching a Michigan football game will never be the same without Pam's VERY LOUD cheering and Keith's cooking. No matter what he made for the game, it was always great and ofcourse Pam's Maize and Blue muffins for good luck. Pam's beautiful smile and Keith's wicked sense of humor will be etched into our hearts and minds forever. We will remember the love they had for their girls and their zest for life. Peace be with you. Love, Harry and Jenny*

“ We will never forget either one of you- the smiles, the laughter , the little girl in,you at Easter and Christmas- Keith's ribs were the best, football games and lazy days by the pool, walks on the beach at the Island where you were the happiest- all of your beautiful artistic talent- especially in your Easter. baskets - you left your mark in many places with your talent- your energy and compassion and enthusiasm and laughter was the most wonderful part of your essence-and oh how you loved your girls - you were always so happy for both of them when they were doing well - memories of both of you will last forever and until we meet again, rest in perfect peace. No more worries, no more sickness or suffering, no more missing your Keith. Love you always. Trish and Rob
