

## Patricia Ann Persson

March 17, 1942 - June 29, 2025

Patricia Persson passed away peacefully and surrounded by family on the morning of June 29th at the age of 83. For her entire life, she was a woman ahead of her time, memorably and deeply connecting with all who crossed her path, and right until the end the fire of her soul was evident to all who met her. She was steadfast in her pursuit of the best for herself and for those she loved, and she quickly emerged as a beloved leader in every community of which she was a part. She was particularly proud of owning her own business, Avenues of Travel, and of being the president of her local rotary club. Aided by her expertise gained from running a travel agency, she and her husband were avid travelers, setting foot on all seven continents. She was also a prolific knitter, gifting each member of her family a prized, hand-made blanket. She had multiple multi-year snapchat streaks, sending pictures of her expert bakes, baseball games on the TV, interesting wildlife in the backyard, and the occasional selfie. She is survived by her husband of 64 years Eric, her daughters Vicki (Chris) and Beth (David), and her grandchildren Peter, Alex (Kayla), and Veronica.
