“ Patrick was a wonderful and well mannered young man who always had a bright smile whenever he was in my presence. We had many talks about life and how to try and not let mistakes discourage our paths. Mary and John were awesome parents to this young man and he was also blest to have two amazing siblings who loved him dearly. May you rest in peace Patrick. God got you now. Your son and wife will carry on your light each day through your son. Rest in eternal peace.

“ I remember a couple of years ago when we were visiting with my sister Dawn and brother in law Mike at John's condo in cape canaveral . We had the most joyful time with John and patrick, we just met for the first time! They brought us around the corner by their condo to a miniature golf center. We walked in the evening, listening to music and playing golf under the stars. It was warm out and half way through our session it started to rain. We ran for cover up on deck at one of the holes, I believe start light star bright from Madonna was playing. We all began to dance in the rain, singing and having fun. I remember thinking how free spirited and bonded John and his son was and by their example they ignited our hearts to let go, live in the moment and embrace the joy before us as one! God bless your soul sweet Patrick, and may our Lord draw you closer to the light of his face and his kingdom in paradise this moment and for eternally +++ With prayers, Dena xoxo
