“ I am so saddened to hear of Patrick's passing. I met Patrick about 12 years ago and we had a great friendship that I treasure to this day. He was a brilliant, funny, goofy, caring man. Someone who has crossed my mind frequently through the years even though we fell out of touch due to distance and life taking us in different directions. I'll never forget his amazing smile and laugh. I am so sorry for your tremendous loss.

“ Patrick was an old and gentle soul, He was always good for a laugh. Courteous and thoughtful, I am saddened that his smile is gone. He was very happy to showi pics off his niece. I remember having one picture framed for him so he could display it. I am so sorry for the loss of such a sweet soul.

“ I worked with Patrick many years ago. He was kind and sweet and funny. We always laughed together and had a blast. I have so many funny stories of goofy stuff that he would do or say. I'm so sorry for your loss. No matter what transpired in his life, he deserved more.
