“ Uncle Ben is truly going to be missed. He was so quiet yet there was another side to him. You could see how he loves to joke around and be with the family at gatherings. Random memories but he loved grapes. I always loved to bring it for him. He also loved loved loved my moms corn. That would be the only thing on his plate for Thanksgiving. It was funny. But he always encouraged me to do my best especially in school. I'm truly going to miss him. Now, he is resting and I pray I get to see him when Jesus returns. May God bless💕

“ I’m going to miss the kind, gentle, and humble nature of my uncle. He was always willing to lend a helping hand without expecting anything in return. We will meet again soon upon Gods return 🙏. Rest In Peace Uncle Ben

“ *Dear my humble brother, I will always remember you. I will always remember your kind, humble and funny character. You were so quiet and love to joke around and was always there for handy man services. Me and nobody can accept the fact that you are gone. But at least I know, you are no longer suffering and that you are in a peaceful place with mom and dad. I love you and will forever miss you. Love always and rest in peace, love.
