“ I thank God that I had Peggy in my life! I remember her going off to college on the train and Beanie telling me that she would come home on that train. I waited and waited to she the train pull up in front of Beanie and Uncle Tom's house.

Our lives were somewhat parallel: She lost her first husband and her first son, as did I. Of course, she and Bob were always so wonderful to me! I loved her dearly, so dearly.
