

Peter Damian Hartman

September 1, 1969 - January 20, 2019

Pete Hartman, of Orlando Florida, passed away January 20, 2019 at the age of 49. Pete leaves behind his parents Alfred and Darlene Hartman, and his 19 siblings. His love of life and his infectious smile made Pete the life of anything he was involved in. He was artistic and quick with a joke, and was never at a loss for words. Pete moved to Orlando to help his brother and to make a life for himself. Pete worked with a scaffolding company where he excelled, moving from laborer to project manager within three months; he personally landed a major contract with the Disney organization for the company. Though he had some very difficult times in his life, Pete had turned over a new leaf and was starting a new chapter. He will be missed by his family and friends, too many to mention, but all were loved; and all who knew Pete loved him.

Pete will be interred in Arlington, Texas.

Our loving god promises to give the strength and courage you need to endure, and to cope with the pain of losing our loved ones. He also promises to hold your hand every step of the way (Isaiah 40:29, 41:10, 13). We pray you find comfort in these promises.

“ *Hartman Family, I'm so sorry for your loss, I met Pete here in Florida years ago. He was close with my family and my kids even got to know him as Grandpa Pete, he rode bikes with them and joked around with them alot. We will never forget that laugh of his and he will forever be in our hearts. ❤️*

“ To the Hartman Family, I'm so, so sorry for your loss and greatly affected by this sad news. Pete was one of the most joyful friends and classmates to us all. He was kind, funny and always looking to put a smile on people's faces and keep those smiles going.

Years ago, I had moved to California and been out of touch with friends from Connecticut, and was incredibly fortunate to have Pete reach out to me in 1998. Once again he was simply himself: forthright, kind, humble, funny, loyal, generous, thoughtful, loving. I'll never forget the tremendous gift of this conversation, and am forever grateful for his gift of friendship and love. Thank you, Pete! I love you and miss you, my friend!

To the Hartman Family, thank you for sharing Pete with all of us.

To his wife, Kim, I'm so very sorry for your loss. My heart goes out to you.

“ *I haven't seen Peter for about 37 years, but my memories of him are alive and well. When I read of his passing, I instantly began crying. He was such a wonderful friend in my memories. He and I were two of the four members of the 1982 record setting, co-ed, 880 relay team for Riverside County, California. He ran the anchor leg and was competing and beating athletes that were a foot taller than him. He would not let them beat him, no matter how much bigger they were. That is how I will remember him. I am so sorry for your loss.*
