“ *In just a few minutes you will go down the path of your last journey here with us and start your journey to a place where there is no pain, sadness or separation of families or friend. I know that there is a big celebration waiting for you and our loved ones and The Lord are waiting for you with open hands. I'm sad I'm not there now but I'm happy to see how handsome you look, just the way you liked to be. Go in peace and with the certainty that we will keep united as a family and I promise I will do my part to make it be that way. Go proud of your kids and know that they will be ok. Good by Ramon, Raul, Rey, Robert good by Tio Ruben I love you and I will miss you forever. Please watch over me and all your loved ones, we have another angel watching us. Thank you, ALELUYA TIO, ALELUYA.*

“ *I was just remembering how elegant you use to look when you were
selling cars you would dress in a suite and tie. The hair would be in
an afro type style. You always had thin hair so you had to put hair
spray. :-)*

“ No creo recordar un momento donde vi a mi tío molesto. Siempre lo ví y lo recordaré con un chiste, una sonrisa...así prefiero recordarlo. Solo espero que nos prepare el camino que nos espera a todos y nos reciba con un chiste y una sonrisa como siempre. Que descanses en paz.

“ *My dear brother in law, I was saddened the morning Nilda and I took you to the emergency room. in my heart I knew the end was near but you did not give up, you hung in there tough. it was one heck of a battle but in the end you lost. However you still managed to cheat death. You will die no more, death no longer has power over you.*
