“ *Lamento mucho la pérdida de su ser amado. Estoy segura que está pasando por un tiempo muy difícil ya que la muerte de un ser querido deja un gran vacío en el corazón. Algo que me ayudó mucho a mi es el consuelo que da la palabra de Dios, La Biblia. Si tiene una Biblia, le invito a que busque los textos de Juan 5:28, 29, Revelación 21; 3,4 y Hechos 24: 15. Ahí vera que se nos da la bella esperanza de la resurrección. Esto nos deja saber que en un futuro, ¡vamos a poder ver a nuestros seres queridos nuevamente, incluyendo a su ser amado! ¿Se puede imaginar el gozo que tendremos?*

*Quisiera compartir más con usted esta magnífica esperanza. Con dicho pensamiento en mente, le invito a visitar el siguiente enlace: <http://www.JW.org/es/publicaciones/libros/tratado-muertos-volver-a-vir/> Ahí encontrara un artículo que habla más al respecto.*

“ *We are sorry to read of the passing of your loved one. Words don't always ease the pain when you are grieving the death of a loved one, but we hope you will find comfort in Jesus' promise of the resurrection hope (Acts 24:15) when he will raise up those who are now sleeping in death (John 11:11) restoring them back to life, on the renewed Paradise earth (John 5:28,29; Luke 23:43) what a wonderful blessing to look forward too. Until then, may Jehovah God (Psalms 83:18) grant you peace and comfort during this grievous time.-Matthew 5:4.*

“ *Lamento mucho esta enorme perdida y sintiendo el dolor que su familia están pasando, quiero compartir la esperanza de que muy pronto "va haber una resurrección de parte de Dios", como nos dice la Biblia en Hechos 24:15. Ánimo y fortaleza para toda su familia en estos momentos dolorosos.*

“ Dear Grandpa,

*You played so many roles in our lives. You not only were a father to Zaida, Carmen and Ray but you were father to Deanza, Berty, Chary, Will and Gail. You were their "dad", "papi", or "pops" You taught them what a father should be and gave them the values to move forward in life. You taught them what a hardworking family man is and gave them the love and support they needed in life. Grandpa, the role you played in our lives were so meaningful that you have left us with an emptiness in our heart but a gratitude that we will always remember, in addition to loving your grandchildren, you gave me and my brother the opportunity to know what is is to have a grandfather when we were born to you as niece and nephew. I never knew you as anything else but Abuelo. Not once did you lead me to believe I was anything else but a granddaughter to you and I will always love you and cherish you for that. Abuelo, though you are gone physically our hearts will always have you close to us for such a great husband, father, grandfather and fighter can't and will never be forgotten. Your humor and charismatic personalty makes us smile every time we talk about you and till the end you still had your jokes. Still put a smile in our faces. Thank Abuelo for teaching us what a great man is, thank you for taking care of us and loving us like you did. Thank you Abuelo, personally from me, for giving me an Abuelo to remember and cherish and love for the rest of my life. I love you and will miss you dearly.*
