“ *Heartfelt condolences to the family of “ Jags” from all of us in the cricket fraternity in Guyana, USA, Canada. I have known him since our time playing days for Guyana in 1977 at UNDER-19 level and since then has remained teammates. During those playing days in Guyana, the Caribbean and USA, we have shared memories and having a good time, which were many. He was a quiet, yet socially active amongst us.*

I have lots of pleasant stories of him that I can share , like one in St Kitts where he met one of the prettiest girl, but destiny didn't allow them a future. Jags would be missed by all.

My brother, teammate and a great soul may the lord take you to eternal resting place in heaven.
