“ Daddio,!!!!

I miss you so much! The pain of losing you has never gone away and it has never gotten easier, but I know you are always with me. I pick up the subtle messages you constantly leave for me. Sometimes they make me cry and sometimes they make laugh. Just knowing your present is near bring me calmness, strength and happiness! I really wish you were here to see how big the kids are. They really miss you too but I know you are up above watching over them. I miss you so much dad!! Sometimes I see someone that looks like you, hear a voice that sounds like yours or see a photograph in someone's album and it seems as though a knife were in the wound again! I know that the the pain will last all the rest of my life but the thing I remember is that not only the pain will last but, the blessed memories as well. The melody of your memory will forever live within me!! I love you dad and wherever you are may it be a Happy Birthday!!

“ Hey buddy, I just found out right now (6-21-16) of your passing. You and I were so busy with our own lives that we didn't keep in touch as much as we would of liked. For that I am so sorry. No one new this but I looked up to you like a big brother that I never had. We shared some good times. Thanks Big Bro for all your advice. You will always be remembered!!!!

“Lamento mucho esta enorme pedida y sintiendo el dolor que su familia están pasando, quiero compartir la esperanza de que muy pronto "va haber una resurrección de parte de Dios", como nos dice la Biblia en Hechos 24:15. Ánimo y fortaleza para toda su familia en estos momentos dolorosos.

“ I did not know him for very long but the one thing I remember about Randy is that he was a joyful, life-loving & very kind human being. He truly touched a lot of people's lives & Seeing him depart from those that truly loved him must have been very difficult. According to genuine, credible sources that were there before he left to be with our Father in Heaven, Randy was peaceful, joyful & ready to what G-d had in store for him. I just thank G-d for Randy's beautiful heart & pray for the ones that are still mourning...strength, comfort & peace that surpasses all understanding, in the precious Name of G-d's only Son Jesus, Amen!

Hi,
I am his youngest daughter. I don't know you but thank you for the kind words. Im not sure who these sources are that you speak of because I don't think my sisters, aunt or my mother know who you are. But yes as it was only us with him when our gracious God came for him it was very difficult. But he knew he was surrounded by those who shared a lifetime with him and who stood by his side and never left him till his last breath. Again thanks for your kind words.

Simple y sencillamente hermosas tus palabras. Que bien es recordar a este campeon con alegría y poder elevar la mirada a Dios y darle gracias por la bendicion de su presencia en nuestras vidas y saber que de los momentos alegres fuimos parte. Que lindo es saber que reposa en los brazos del Señor. Que bueno es sentir que partio de esta tierra con la certeza que tenia en su vida personas que lo querian genuina y desinteresadamente. Randy gracias por todo y cada uno de esos instantes lo importante es vivir en esta tierra agradando a Dios y asi poder encontrarnos de nuevo en el cielo. Recordandote con gran cariño, paz y alegría.

“ *Estoy contristada con la pérdida de su ser querido, bien sabemos que la muerte es algo que sucede día a día, pero hay una bella esperanza que nos traerá cierto nivel de paz. Por tal razón quería compartir con usted algunas palabras de consolación que le ayudaran en estos momentos difíciles, tal como me ayudaron a mí. Estas palabras se encuentran en la Biblia, si tiene Biblia le invito a que lea Hechos 24:15, Revelación 21:3, 4, Juan 5: 28,29, ahí notara que dichos textos hablan de la bella esperanza de la resurrección, solo podemos imaginar la alegría de volver abrazar a nuestro ser querido que ha fallecido. Para aprender de esta y muchas otras promesas solo hay que seguir el consejo de Juan 17:3. Con dicho pensamiento en mente le invito a que visite el siguiente enlace, <http://www.JW.org/es/publicaciones/libros/tratado-muertos-volver-a-vivir/> Ahí encontrara un artículo que habla más al respecto.*

“ I didn't get to see you before you left,
Didn't get to say my good bye's,
didn't get to hug you and kiss you good night,
didn't get to tell you how much I was proud to have you as a father,
didn't get the chance to tell you I was sorry for being stupid
sometimes,
and I wont get the chance to say I love you one more time.
I wish I could have those chances,
but I am glad to have had the chance of having a father like
you. This is not a good bye. This is just see you later alligator. And
knowing you, you always have to have the last word and I know
somewhere you are saying after while crocodile.
Thank you Dad!

Always know your father looks upon you with great joy and pride in
who you are. He was so proud of you and so grateful to you for getting
him to the Mayo Hospital. Don't forget the "thumbs up" he gave you
when he was leaving Orlando regional hospital. That was his way of
letting you know he loves you very much and is so very, very proud of
you.

“ Hi Randy: I went to your grave site again before I came home. It was a peaceful moment to have with you. All the flowers around you were blooming. They were beautiful just as you are. I got the opportunity to see home videos of you during this past holiday season. You were having so much fun! I only wish I could have been there with you. I will always miss you. I'll see you in Orlando again. Hopefully next month. Love you. Your sister always, Susie.
