

Raphael Ortiz

June 13, 1973 - September 16, 2013

Raphael Ortiz, age 40 of St. Petersburg, Florida passed away September 16, 2013.

What can we say about this man that was loved so dearly? Raphael was born on the 13th of June 1973, into the hands of his mother Luz E. Colon and Father Ernesto Ortiz. He was an amazing friend, brother and father. Always knew how to make everyone laugh. Brother of Ernesto Ortiz, John M. Ortiz, Yamiletcy Ortiz, Diana Pena Ortiz, Mildred Ortiz, and baby sister Katia L. Ortiz. Raphael was always such a hard worker; we always loved the fact that he was his own boss in all that he did. He was always such a friendly and social person, very easy to love. Not only was he a friend and brother he was also an amazing father to Rachel R. Ortiz, he took advantage of any chance he had to spend time with her. He loved his baby girl along with his 3 other precious pearls: Sasha Ortiz, Gabriella Ortiz and Nicole Ortiz. Whom he would have loved to of spent more time with. Where ever you are Daddy loves you. He never stopped thinking about any of you. The 4 of you will always be his baby girls. Just know that he loved you more than life itself. Now to say good bye, though we may not have seen you as often as we should of we will always remember the good times, the jokes, the stories, and the laughs.

Rest in peace Ralfy

“ Hey Ralph, just wanted to share with everyone, that you and I had mad history !! I've known you since you was 15 years old !! We fell in love got engaged had a beautiful daughter together and I know for A FACT THAT I WAS AND ALWAYS WILL BE THE LOVE OF YOUR LIFE !! no one knows how you used to look into my eyes and tell me there will NEVER BE ANOTHER JACKIE!! You always used to tell me that no matter how long we've been apart or how many other chicks are in your life, no one will have that special bond, that special love that we and only we had... I will always remember how you always call me your sexy hot chocolate mama! Lol and told me that you would never ever stop loving me!! No matter who or what happened it was always me... We taught each other alot. I will always cherish your words.. because I know in my heart you only LOVED ME AND I KNOW THAT YOU AND OUR DAUGHTER HAD A SPECIAL BOND AND FOR THAT I'M SO GRATEFUL. . until "WE" MEET AGAIN ! THE "TRUE" LOVE OF YOUR LIFE !! JACKIE

“ *It's been seven months since you've been gone. Seven months mourning, missing and loving you. You took my entire life with you. Every day I wake up after dreaming about you, hoping that this was just a bad nightmare. I pray to our Lord every day to give me the strength I need to continue with this journey.*

“ *Babe,*

One of our most important dates was a few days ago, and I remember how you use to go way out of your way to make this day very special for me, and like everything in your life, it was a mission accomplished. I felt your presence, like every single day. You keep telling me in my dreams how much you love me and to marry you, just like you did when you were here. I miss you so much. When I first started writing on this page, I used to sign "Your Babe", cause that was the way you used to call me. But then I realized that if you always introduced me to everybody with so much pride, that I just going to continue signing with my name. I love you and hope to see you soon!!!

“Babe, I can't believe it's been 3 months since you're gone. I miss you sooo much. It feels like yesterday we were planning the rest of our lives together. We knew we were going to be together until one of us had to go. I always said I wanted to go first, cause I couldn't imagine my life without you. This is so hard. You always said I'm a trooper, but I wasn't ready for this mission. Only my Lord knows how I'm getting up everyday to continue this journey without you. TE AMO!!! See you in heaven!!!

“Babe, I thank the Lord for giving me the honor to be by your side this last 3 years of our lives. You were absolutely amazing in every single way. I miss your smile, your love, happiness, your voice, in a few words, everything about you. But what I miss the most is the way you used to say: "I love you, Babe, You're the love of my life". Thanks for making me happy and for teaching me what real love is all about. The only thing you forgot to teach me was how to live without you. The emptiness and pain I feel is unbearable. I love you, I'll always will.

Always yours,

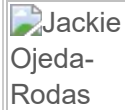

Your Babe

“ *Feeling horror at the total disrespect from individuals who feel the
need to continue to cause pain and decit this difficult time when
family is trying to cope with letting go of someone dear to our hearts
..I wish these individuals would just honor and respect our wishes to
allow our family privacy..
I take disrespect very personal and there is just no reason for it !*

“ I am so sorry to hear of your lose. The Bible calls death an enemy of man so we can see why it is so painful when we lose someone we love. Yet the Bible does not leave us without hope as is states in Revelation 21: 3,4 ?With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4?And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.
It is wonderful to know that God loves us and has made a provision for us to see our dead love ones again. May God give you peace and comfort

“ Your presence at SMC will be deeply missed. You impacted so many people here with your beautiful smile and your friendliness. I keep expecting to see you walking thru the halls...

I'm holding on to the promise from Jehovah God that I will see you again in the resurrection to a Paradise earth.

John 5:28, 29: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life...."

Until that day, rest in peace "Fernando" my friend.
