“ Raymond D Files was a hard working man that cared more of others before himself. He was the most humblest of all. He loved to make people laugh, he was a people person that caught everyone's attention. Everyone loved to be around him . He left a wife and 6 kids behind. His youngest daughter is his twin, his soul is within her. You are still with us. When we look at her we see you. We love you so much. You are greatly missed. You will never be forgotten. Our true angel from above Rest in Peace 🕊️
