“ I will truly miss her beautiful smile and the friendship we had over the past 10 years. She made a huge impact on me and others with her gentle demenour and soft approach to everything. Always a kind word with a very witty sense of humor & the ability to tell it like it is.

“ Regina was a hard worker and an awesome boss/mamager. It was a pleasure working with her. She never had a harsh word for her subordinates and she was always willing to extend help to make them better at their positions. I was so sad when she decided to move on from the company and moved down south.

We stayed in touch and we became very close. We would talk and laugh together. She was always concerned how I was doing. Friends like her are hard to find. I will miss her greatly.
