“ I am grateful for the life of Remedios del Rosario. Remy was a friend and great mentor to me. She was an empowering and compassionate leader who lead the Atlanta Water Department through some tumultuous times always with grace, strength and dignity. She will be remembered as a woman of integrity with a wonderful sense of humor.
Thank you for your love, laughter and leadership. Peace be with your loving family.

“ *I remember the last time we were together at a diner in Tomas Morato sometime March 2014. We made a song request for the band to sing. :) You looked so healthy and happy then. I will miss your visits here in Surigao. You are one person who never failed to look back and reconnect with old ties. You always returned to your old home because you missed it. That's why, we will miss you a lot. Rest in peace, Tita. And, enjoy the music of eternal bliss up there.:)*

“ When I had the chance to meet you last March 24, 2014 (after years of not seeing each other), I never had the slightest inkling that it was going to be our last. I was not given the opportunity to personally thank you for all the good things you have done for us, and especially to me, whom you welcomed with open arms to your home at Atlanta, GA. Well, I guess this is my only way of letting you know that I appreciated all the things you did, Tita Ding. Goodbye, for now, to a woman who has inspired me by her courage and determination to fight the big C; a woman who had a successful career as a former Commissioner of Water , Atlanta, Georgia; a model wife, mother, friend, lola, sister and of course, a dear Aunt, our Tita Ding, who was well-loved by her nephews and nieces. I shall forever treasure all the happy memories I've spent with you in my heart. Till we meet again in heaven ! WE LOVE AND WILL SURELY MISS YOU!

“ Remedios Del Rosario was my inspiration on creating the "Kaimo and Espina Group". Just like her passion, I too wants to reunite all relatives on both sides of the family. I remembered her when she comes home from the States during family reunions mentioning and showing the progress she have made on re-connecting the family tree on her then "notes" and now being a tech savvy saving the data using computer. With her work of tracing and reuniting the family from generations to generations has contributed to the knowledge of knowing our "Biological Roots".

Now that she is heaven, I want her to know that It is my desire to continue her legacy of tracing families from what she have accomplished until the generations to come. As the younger sister of my mom, Tita Ding was always there when we need her. She personally helped me on my way to come to Canada.

We will dearly missed you and we will always cherish your memories in our lives...We love you Tita Ding! From Milagros Kaimo Altrecha and family - Vincent Cabrera & Anthony Paul Cabrera.
