“ Today our hearts ache with grief and deep sorrow as we join with you all to mourn the loss of our sweet, dearest and absolutely adorable cousin RESHE.. We shared many fun loving, mischievous and adventurous childhood memories. As an adult, we continued to keep in contact with him and followed his successes as he progressed in his business. A true gentleman....Reshe always saw the good in others and never said anything to hurt or offend anyone.Just like you all, we would also miss him.....We Pray that God bless, comfort and strengthen your hearts to help you all through these difficult times. Remember you are not alone, we are all with you. And as our hearts are heavy with grief we should pause a-minute to remember what LORD BUDDHA said about death. the fact that only the physical body dies...the soul lives on forever....Buddha beautifully explained it.....he said the moon reflects this ultimate Truth every night....IT GROWS AND GROWS THEN IT REACHES ITS FULL BLOOM....THEN....IT WANES....SLOWLY AND GRADUALLY...IT DISAPPEARS....we think it disappears....but in fact IT DOES NOT DISAPPEAR...IT IS JUST NOT VISABLE....So lets keep our memories of him alive and VISABLE in our hearts.....GRIEF NOT FOR HE IN A BETTER PLACE...HE IS IN GOD'S PROTECTIVE CARE.....LOTS OF LOVE TO YOU ALL THE FAMOUS SIBLINGS GROUP.....SEERAM, GEETA, RADIKA, SOOGRIM, HARRY, CASHYAF AND POLLY

“ To my dearly departed cousin, you were the protector and shelter of your family, today you're gone but you left footsteps behind for your sons to follow.

To Reshe's family, trust in the lord that he will heal your aching heart and fill the emptiness with wonderful memories of happy times spent together. Let the almighty guide you and give you strength to get you through the unforeseen departure of a beautiful person (husband, father, son, brother, cousin, friend).

“ To my dear cousin. At a time like this words fail me but my heart is telling me u and ur children need a virtual hug. At this moment I cannot imagine what u r thinking but I could guess since I also lost a child and husband I am well aware of the pain u and ur family r going through.

Our God in heaven who can see exactly what is happening will be able to comfort u and ur family in this time of grief . May God grant u and ur family a measure of peace during this trying time, Love You, Molly and Maureen.

To my dearly departed cousin. May you rest in peace. At times like these we wished you never left us, but God always has bigger and better plans for us. To his family, nothing we say or do is going to ease the pain, but take solace in God. I do hope that our souls cross paths once again in another life, and I hope that 'that encounter' be as pleasant as this one.

“ Dear Maria, Robert, Richard and Hector please know how much we share in your grief. Kaki, Dolly, Anna, Chandra and Indie - your loss weighs heavily and not lost upon us. Susan and I, looking through these dark clouds feel Blessed- firstly, to know Reshe as a young boy, a son, a brother, then a man, husband and loving father. He grew to be so confident, calm and caring. His love for family and family life was always a joy to behold. His smiles, were so infectious, always genuine and warm. Truly, the family has lost a treasure. His thoughtfulness and peaceful demeanor came from an inner spiritual awareness which was quite admirable, even inspiring!! I pray that your faith, and all your precious memories with him provide you comfort, strength, peace and yes- inspiration! Although Susan and I are far, we are holding you ALL in our hearts and prayers.
May God keep Reshe in His divine presence and grant him eternal Peace
P.S. I was thinking that if Reshe's smile was so Beautiful and Amazing here with us on earth, then what a smile he must have now— knowing that he is in God's infinite magnificence... Rest In Peace Resh!
