

Rhonda Barfield Deuerling

May 22, 1967 - March 26, 2022

Rhonda Barfield Deuerling, age 54 of Osteen, Florida passed away March 26, 2022. She leaves to forever cherish her memory her loving husband Andy Deuerling; daughter, Ashlee Moore; father; George Barfield; sisters, Darlene Hauck, Vicki Diaz, Cindy Robinson and her grandchildren Kristin, Raigen, Dallas and Kynslee.

Rhonda was born in San Diego California in 1967 and then moved to Florida where she lived the rest of her life.

She graduated from Winter Park High School and later went on to study to become a nurse. Nursing was her passion as were her patients. There was nothing she would not do for them. Throughout her career she formed many special bonds with her co-workers and doctors. She was so proud to be a nurse.

She married Andy in 2012 who was the love of her life.

Although her life was short she experienced a lifetime of happiness. She raised a beautiful and strong daughter and loved her grandkids, nieces and nephews "to the moon and back" as she would say.

Rhonda liked to do crafting and make things for others. She loved to go for

motorcycle rides and loved cooking. During the past few years she traveled to many state parks in Florida. Seeking her roots she often visited family in northwest Florida with whom she got very close.

A celebration of her life will be held on Wednesday, March 30, 2022 at A Community Funeral Home & Sunset Cremations, 910 W. Michigan Street, Orlando, Florida. The family will be receiving friends and family beginning a 6:00 pm with services beginning promptly at 7:00 pm

Rhonda was the strongest and bravest woman anyone could know and we will love her forever. Rest in peace. In leu of flowers it is the request of the family that memorial contributions be made in her honor to the American Cancer Society at <https://www.cancer.org/>

“ *I met Rhonda through a game we played on Facebook. She then joined another team we started on another game. We became friends through these games for the last few years. We started talking through facebook chat and then face timing. We exchanged phone numbers and started talking. Through all of our chats, we became friends and learned about one another. I was so sad to hear about the cancer spreading. She was so positive and upbeat! Throughout this whole ordeal with her cancer, she as so upbeat! She and I have talked about so many things, that I felt we were friends throughout our whole lives. She is such a kind and loving person and loved life, her husband and family! She talked about each and every one with such pride! I am going to miss our talks! My heart goes out to her family and friends! She loved her job! She loved her family and she loved her life! May you rest in peace and god hold you in the palm of his hand! I know she is going to be a guardian angel to many! RIP Rhonda!!!*
