“ *Ricky,*

Your footprint that you left here with so many will live forever in our heart. I am honored and grateful that I had you has a true friend. You are now on to bigger and better thing with GOD. He needed you more than we did but know that your smile, laughter, jokes and kind words will live in my heart forever. You took the word bother/sisterhood to heart and that is why you are loved by so many. You will be missed bro. GBNF " Batman" live forever.

To the Perez Family, the boys and Brandy, no amount of word can ease the pain that you are feeling at this moment. Know that you have an entire community by your side and will be there for his boys at any given moment. He was a great Son, Father, Friend, Brother. My prayer for strength and understanding during this difficult time.

“ *My deepest condolences to the family. Batman was the most selfless humble person I know. His love for the entire community will forever live on. He always knew how to make my frown turn upside down. Indeed it was a honor to have had the opportunity to have known him. I will forever carry him in my heart I am speechless and heartbroken that my friend has gone, but I know he now serves a bigger purpose. His legacy will live on not only via his family but via the entire community. I know there are no words that can ease this pain, but I hope you find comfort in knowing how he impacted each and everyone of us. Batman I thank you for the genuine love and respect you showed me and for reaching out to me in times I needed support.*

“ My deepest condolences from our organization (S.O.B.N.O.A.) para La Familia Perez. This hit's home very profoundly because I travel almost every day back and forth from Lake Wales to my job at Lake Buena Vista and put a 100 miles a day round trip Mon/Friday on my bikes for over 28 years now.

I never knew Ricky but, I have heard wonderful things about him in the biker world and his journey in life. Your foot-print will NEVER be forgotten!. I can only wish I had meet this great leader...in one of our charity rides.That's, why he was the President of his Chapter....Kingdom of Brotherhood forever my brother....R.I.P. papito...,amen.

Founder, CEO and President: Nelson "Maverick" Soto, Sons of Boricua Nuyorican Original Motorcycle Association.
