“ I just had a dream Richie... Of you and my nephew Jonathan! We were in your old apt in Woodside... I woke up sad, remembered in my dream that you are no longer here. Miss you Papa Head! Some of the best laughs I've had were with you... Never forget! RIP

“ Richy was an incredible person when I was growing up in Woodside, Queens. I remember all the times we played football together, have cut out jams during our high school days, drive around to Astoria Park to chill, he would come over and have dinner in my mothers place, I have so many fond memories to write about but, my best one was when I needed help he would not care what the odds were. All he said was, " I got cha back 3". That was good enough for me. I will miss you my dear friend. I will not say good-bye but, see you when my time is up. Keep a watchful eye on your son and guide him as best as you can spiritually. Your friend always, Carlos"3MZ"Ramirez
