“ Our hearts are saddened hearing of Richard's passing. He was a loving & caring man with a fun loving spirit and good sense of humor. He nicknamed Antonio as "Rudy" as he did not remember his name. Even when he was told his name again as "Tony" to make it easier to remember, he still called him "Rudy" with a wonderful laugh. He will be missed greatly in this world as our friend. May God comfort all who love him and got to meet him and hear his many stories. Blessings to his family with peace...
