Please accept my condolences for your loss. I worked at Colonial Bank/BB&T in 2009-2010 and am glad to have had the opportunity to know such a very special person. Richard always walked into the room with a smile and that is how I will always remember him. What a beautiful soul, taken too soon. He will be missed!

“ I had the priviledge of knowing Richard for at least 12 years. Richard was and still is in my mind one of the GREATES person with one of the BIGGEST heart I have ever seen. If you spend a day with Richard you would laught at least one time with him. He was very funny, extreamely responsible, and a great friend. And if you had any question about sport or history, he was your guide. He will be very much missed by all of us, even my family since they had a chance to meet him in person several times. The family and close friens will be in my prayers, and I know for sure he is in a better place. I miss you Richard Mirjah, R.I.P ...

“ It is difficult to tell you how deeply I feel about the untimely passing of Richard. We had a special bond that started June 27, 2005, that I will always cherish. He touch my heart in so many ways. I am going to missed those little talks we had about the twins girls, movies and sports. I am also going to missed that wonderful smile and that funny laughter. Richard was a great person, good friend and excellent employee. It was a privilege to have known him so well and i will never forget his thoughtfulness and kindness. With great personal sorrow, I extend my heartfelt sympathy. Darise Hinson/ supervisor and great friend.

My husband was a co-worker of Richard. We met him several times. My favorite memory of him was when we celebrated my Daughter's first birthday and we celebrated his as well since it was also in the middle of August. He was so happy and I still remember his smile. One December he gave my husband Eduardo a throw for Christmas. When the throw got home my daughter who was one and a half at the time said the throw was for her and I do not know if my husband ever told him, but my daughter sleeps with that throw every night. Last night before going to bed she said "Mommy put that throw on me, now Richard is an angel". My condolences go out to his Mom and sister and to all of his family. I know he will be deeply missed, but he is an Angel as my daughter put it last night.

Arlene, You brought tears to my eyes. Having twin girls who loved him just as much I get it and understand.
