“ *I literally could go on forever speaking about you. I loved you so  
much. We had the best time when we were together. You loved to  
tell me about life and your perspective on it. You were so insightful.  
The things that were in your mind. Your smile is forever imbedded in  
my heart. I'm so glad I got to grow up with you. You were so special.  
I have some of my best childhood memories with you. I know your  
with God. I love you. Until we meet again.*
