“ *Dear Daddy,*

A year too late. I'm heartbroken that we didn't find each other but am cherishing the truth and knowing that you loved me, wanted me, and tried to find me. I am thankful for the few memories I have and the stories and pictures family has been kind enough to share. I am thankful for the people who loved you. I am thankful for the life you gave me. I hope you knew and know that I've been fortunate and so lucky to have a wonderful family, including a wonderful baby boy. It will take time but I will do my best to learn about you and I promise that my son will know about his Grandpa in a way that I wasn't lucky enough to.

*Love,
Katie*

“ You have my deepest sympathy and empathy in you loss. During such a time I was greatly encouraged by a promise I found in the Bible at Revelation 21:3, 4 where a time will come when we will not experience the suffering that come from this type of tragedy. With this thought in mind I invite you to visit www.jw.org, there you will find more information on Gods promise of the resurrection.

“ I knew Rich for at least 15 years, and in reflection I have to say he was one of the greatest people I had ever met. I can look back with some good memories.. times like riding to Bike Week (Daytona) and just having a blast. Rich stopped me from making some bad choices, and was a supportive individual when I was doing good things for myself. i can honestly say I am a better person for having known him. Farewell Rich... I hope there comes a time when we can sit back and talk about all the good times once again.

“ Uncle Richie,
You will be missed. I will forever have the memories of young crazy days in Blllerica, playing hide and go seek in the empty pig pens and in the barn, flying saucers in the back yard hill that that seemed so high!!!. It's been a long time since we connected but I knew about your life from family that was around you. I know you are at peace and reconnecting with those who passed before you. Say hello to everyone for me, I miss them all!!! Wlth love, your niece, Lynne

“ Uncle Richie may you rest in peace and may your heart not ache any longer for Anna; may you find eternal peace in heaven together. I have fond memories of visits with you at grampy's while I lived in Florida. I felt reconnected with you after your loss and only wished I had spoken more often than I had. You were always in my thoughts and prayers during the past two years. I will cherish the memories I have of you when I was very young; including playing in the abandoned pig pens.
One day we will all be together again I will miss you until that day.

“ I remember when Uncle Richie came up and stayed with Andy and myself, so many years ago. We had such a nice time. Many memories and great stories of Richie when we came to stay with Grammy and Grampy too. One of my favorite Uncles. Also had a nice long conversation on the phone a few months ago and I thank God I was able to have that with him. He will be missed by many friends and "all" of his family . May you rest in peace Uncle Richie ...
