“ Bobby and I go back and long way. He was a sweet, caring man who would do anything for you. We shared some years as friends and it turned into something more later. It was a long time ago in New Jersey, long before he moved to Florida. Even then he had a love for life and an amazing smile. We lost touch for a long time although I did know he got married and had a beautiful little boy who he adored. A while back I sent him a friend request on Facebook and for a while he never responded, so one day I went on Facebook to his profile page and saw the last posts were from 2015. By this time it was 2018 and then it hit me. I went on Google and typed in his name to find his obituary. I WAS DEVASTATED! I began to cry and wonder why God would take someone who loved life as much as Bobby did? I wish I got a chance to say goodbye but I talk to him all the time and grateful that I have such wonderful memories. You were and are probably still one of the sweetest men I have ever known. Until I see you again.....

“ Robert has been our tenant for 5 years. We have shared many long chats in the office and I always enjoyed his adventures. I their as he went through struggles both in business and personal. We toss ideas and thoughts and laughed about some of the crazy ones we came up with. He was so sweet, a person we admired. I considered him a friend not just a tenant. We pray for the family as this is truly a loss of a good man. May you rest in peace Robert until we meet again. With Great sorrow, Sincerely Catt and Joe Mullican

“ My deepest sympathy to the whole Aidukas Family. I hadn't see Bob until our last class reunion. His smile was contagious, he was happy and seriously loving his life. I watched in awe his travel, his flying, his excitement to learn a new language on Facebook. He was so positive in his outlook and inspirational. May you find peace in the memories you shared and know that his smile filled a room. RIP Bob, you will be missed.
