“ Special memories of Bob and his family. Laura, Zack and His Mother Mary. Birthday party for “baby Zack”, wonderful tomatoes and tours of the farm and my favorite, the Christmas Eve visits when we would hide a small gift for Zack in a cabinet he could reach. Our family is so very sorry for your loss and pray for healing and peace. Love, The Hora Family

“ TO LAURA AND FAMILY, BOB WILL REALLY BE MISSED. HE WAS ALWAYS SO HELPFUL TO THE 'LEFTOVER BISCUITS BAND'" We just had to ask! He was such a soft spoken person, so knowledgable . Tom and Polly

He was soft spoken because he was hiding the fact that he was a known pedophile praying on very young girls. We are talking molestation of girls well under 10. He is a predator and ruined many lives.

“ To the family and friends Robert Alan Braun I am so sorry for your loss. Although the pain of losing a loved one to death is great we can find comfort in the Bible's promise that soon we will see our loved ones again. Act 24:15
