*I found out Bob passed away today. He was a real gem. He took care of my dad when he was sick. I knew him my whole life.*

“ *Bob was my younger brother. He was stubborn in his beliefs and steadfast in his faith. He was a friend you could count on and never asked for anything in return. A musician and music lover a child of the 50s. He always had the latest gadgets. He loved his Harley and his pets. He loved his family, God, and country. I will miss him, but know I will see him in Glory. Rest in Peace Brother.*
