“ I so enjoyed having Robert as a colleague and a friend. Shared many Board Meeting night dinners and lunches and lots of laughs! Always looked forward to our fun Supper Club dinners with our spouses sharing and getting to know each other. Robert will truly be missed. Such a wonderful man.

“ Robert was a good man and great friend. One of my best memories was when he and I attended a CAO/CIO conference together. We learned a great deal together about how to make the educational side and technology side speak a common language. We followed it up by taking lunch once a week together to plan for kids. I still use what we learned years later in my current role. I am a better person for having known him. He will be sorely missed.

“ Robert was one of the kindest, smartest people I've ever had the pleasure of working with. His words were always so kind and whatever you needed help with, he made sure it was done. You will be very much missed Robert!
